

## Complaints and protests – what to do

### **A complaint:-**

Can be made on infringements of Rules or on the organisers directions such as pre-event information. It can be made by anyone connected with an event and can be verbal or written.

You should make it to the organiser (*via the information table*). If you wish to make a written complaint please use the form below.

A complaint will be adjudicated by the organiser and the decision communicated by the organiser to all affected by the decision. The organiser may need to consult with the controller, planner or other event officials before they make their decision.

### **A protest:-**

Can only be made against the organiser's decision about a complaint. It can only be made by competitors, team officials or event officials and must be made in writing, to a member of the jury (*via the information table*). Please use the form below.

A protest will be adjudicated by the jury and the jury will instruct the organiser on what action (if any) should be taken.

The decision of the jury is final (there are no appeals).
