PREFACE

Orienteering Australia has developed and implemented a Member Protection Policy, based on the templates provided over time by the Australian Sports Commission to provide guidelines for the protection of the health, safety and wellbeing of members of its constituent State and Territory Associations and affiliated Clubs and all who participate in orienteering activities throughout Australia.

Orienteering Australia is committed to and encourages its constituent State and Territory Associations and affiliated Clubs to be committed to:

-) Providing an environment safe for children, that is free from harassment, discrimination and abuse for everyone, and promotes respectful and positive behaviour and values.
-) Providing a code of conduct forming the basis of appropriate and ethical conduct which everyone must abide by.
-) This policy being an essential part of Orienteering Australia's proactive and preventative approach to tackling inappropriate behaviour.
-) As President of Orienteering Australia I am personally committed to ensuring that everyone associated with the organisation complies with the policy.

PART A: MEMBER PROTECTION POLICY

1. Orienteering Australia’s Core Values

1.1 The purpose of Orienteering Australia is to enrich the lives of Australians through Orienteering.

1.2 The values of Orienteering Australia are:

-) We respond to the needs of our clients;
-) We consult our stakeholders and endeavour to reach common understandings;
-) We are open and transparent in the process of allocation of resources;
-) We listen and communicate openly;
-) We strive for excellence through cooperation and teamwork;
-) We make the most of every opportunity to be leaders in our field;
-) We accept full accountability for our decisions and actions.

2. Purpose of this policy

2.1 This Member Protection Policy (policy) aims to ensure our core values, good reputation and positive behaviours and attitudes are maintained. It assists us in ensuring that every person involved in our sport is treated with respect and dignity, and is safe and protected from abuse. This policy also ensures that everyone involved in our sport is aware of his or her legal and ethical rights and responsibilities. This policy also reflects our support and implementation of the principles of fairness, respect, responsibility and safety.

2.2 The policy attachments provide the procedures that support our commitment to eliminating discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, Orienteering Australia will take disciplinary action against any person or organisation bound by this policy if they breach it. Where this policy provides for action by a State/Territory association official or Member Protection Tribunal and none exists in a particular State or Territory, the matter will be handled by the Orienteering Australia Executive Officer (or State/Territory association equivalent) or Member Protection Tribunal as appropriate.

2.3 This policy has been endorsed by the Orienteering Australia Board and 2015 Orienteering Australia Conference and has been incorporated into our Operational Manual. This updated copy of the policy starts on 1 January 2016 and will operate until replaced. This policy and/or its attachments may be amended from time to time by Orienteering Australia. Copies of the policy and its attachments can be obtained from our website www.orienteering.asn.au or from Orienteering Australia’s Executive Officer at orienteering@netspeed.com.au, PO Box 284, Mitchell ACT 2911, (02) 6162 1200.

3. To Whom this Policy Applies

3.1 This policy applies to the following, whether they are in a paid or unpaid/voluntary capacity:

-) Individuals sitting on boards, committees and subcommittees;
-) Employees and volunteers;
-) Support personnel (e.g. managers, physiotherapists, psychologists, masseurs, sport trainers);
-) Coaches and assistant coaches;
-) Athletes and players;
-) Referees, umpires and other officials;
-) Members, including life members;
-) Member associations;
-) Affiliated clubs and associated organisations;
-) Peak associations and the national body;
-) Any other person or organisation that is a member of or affiliated to Orienteering Australia;
-) Parents, guardians, spectators and sponsors to the full extent that is possible.

3.2 This policy will continue to apply to a person even after they have stopped their association or employment with Orienteering Australia if disciplinary action, relating to an allegation of child abuse against that person, has commenced.

4. Code of Conduct

Orienteering Australia requires every individual and organisation bound by this policy to:

- 4.1 Be ethical, fair and honest in all their dealings with other people and Orienteering Australia;
- 4.2 Treat all persons with respect and courtesy and have proper regard for their dignity, rights and obligations;
- 4.3 Always place the safety and welfare of children above other considerations;
- 4.4 Comply with Orienteering Australia's constitution, rules and policies including this member protection policy;
- 4.5 Operate within the rules and spirit of the sport;
- 4.6 Comply with all relevant Australian laws (Federal and State/Territory), particularly anti-discrimination and child protection laws;
- 4.7 Be responsible and accountable for their conduct; and
- 4.8 Abide by the relevant Role-Specific Codes of Conduct outlined in Part B of this policy.

5. Organisational Responsibilities

Orienteering Australia, Member Associations and Affiliated Clubs must:

- 5.1 Adopt, implement and comply with this policy;
- 5.2 Ensure that this policy is enforceable;
- 5.3 Publish, distribute and promote this policy and the consequences of any breaches of the policy;
- 5.4 Promote and model appropriate standards of behaviour at all times;
- 5.5 Deal with any breaches of or complaints made under this policy in an appropriate manner;
- 5.6 Recognise and enforce any penalty imposed under this policy;
- 5.7 Ensure that a copy of this policy is available or accessible to all people and organisations to whom this policy applies;
- 5.8 Use appropriately trained people to receive and manage complaints and allegations of inappropriate behaviour;
- 5.9 Monitor and review this policy at least annually.

6. Individual Responsibilities

Individuals bound by this policy must:

- 6.1 Make themselves aware of the contents of this policy;
- 6.2 Comply with all relevant provisions of the policy, including any codes of conduct and the steps for making a complaint or reporting possible child abuse set out in this policy ;
- 6.3 Consent to the screening requirements set out in this policy, and any state/territory Working with Children Checks (or equivalent) if the person holds or applies for a role that involves regular unsupervised contact with a child or young person under the age of 18 or where otherwise required by law;
- 6.4 Place the safety and welfare of children above other considerations;
- 6.5 Be accountable for their behaviour; and
- 6.6 Comply with any decisions and/or disciplinary measures imposed under this policy.

7. Position Statements

7.1 Child Protection

Orienteering Australia is committed to the safety and well-being of all children and young people who participate in our sport or access our services. We support the rights of the child and will act at all times to ensure that a child-safe environment is maintained.

We acknowledge the valuable contribution made by our staff, members and volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

7.1.1 Identify and analyse risk of harm

We will develop and implement a risk management strategy, including a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the actions of an employee, volunteer or another person.

7.1.2 Develop codes of behaviour

We will develop and promote a code of behaviour that sets out the conduct we expect of adults when they deal and interact with children involved in our sport, especially those in our care. We will also implement a code of behaviour to promote appropriate conduct between children.

These codes will clearly describe professional boundaries, ethical behaviour and unacceptable behavior. (Refer to the attachments in Part B of this policy.)

7.1.3 Choose suitable employees and volunteers

We will take all reasonable steps to ensure that our organisation engages suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This will include using a range of screening measures.

We will ensure that Working with Children Checks are conducted for all employees and volunteers who work with children, where an assessment is required by law. If a criminal history report is obtained as part of their screening process, we will handle this information confidentially and in accordance with the relevant legal requirements. (Refer to the attachments in Part C of this policy.)

7.1.4 Support, train, supervise and enhance performance

We will ensure that all our employees and volunteers who work with children have ongoing supervision, support and training. Our goal is to develop their skills and capacity and to enhance their performance, so we can maintain a child-safe environment in our sport.

7.1.5: Empower and promote the participation of children

We will encourage children and young people to be involved in developing and maintaining a child-safe environment for our sport.

7.1.6: Report and respond appropriately to suspected abuse and neglect

We will ensure that all our employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable grounds that a child has been, or is being, abused or neglected. (Refer to the attachments in Part E of this policy.)

Further, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child, or is in breach of this policy, he or she may make an internal complaint to us. (Refer to the attachments in Part D of this policy.)

7.2 Taking Images of Children: Orienteering photos and videos in newspapers, newsletters and magazines, promotional brochures, television programs and Internet websites are essential for promoting the sport across the age groups. However, images of children can be used inappropriately or illegally. Orienteering Australia will only use appropriate images of a child or groups of children, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc. The use of camera phones, videos and cameras inside changing areas, showers and toilets which we control or are used in connection with our sport is forbidden.

There are some circumstances where publication of a named image of a child may place that child in danger. Orienteering Australia and its clubs and associations seeks the assistance of parents and guardians in being advised if they do not want images of their children taken or published. Orienteering Australia encourages clubs, associations and event organisers to publicise that images may be taken at competition, social and other public events for promotional purposes unless a parent does not consent for such images to be published of their children. Where possible, official photographers will avoid taking images of these children and any images inadvertently taken will be deleted from stored files as soon as possible.

If Orienteering Australia uses an image of a child, it will not name or identify him/her or use both the first name and surname of the child unless it has first obtained consent to do so from the parent/guardian. Orienteering Australia will not display or make publicly available in any way personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. Orienteering Australia acknowledges that information about an individual's hobbies, likes/dislikes, school, etc can be used as grooming tools by paedophiles or other persons. As such, Orienteering Australia will take reasonable care when publishing such information in a public forum.

Orienteering Australia requires its members, member associations and clubs to do likewise.

7.3 Background information for parents and guardians on the nature of orienteering. To avoid misunderstandings about responsibilities for supervision during training, coaching and competition activities, parents and guardians need to be made aware that orienteering activities may generally involve the following:

1. During competitive events non-beginner and secondary school age and above participants will be expected to navigate through the orienteering course alone; this may often be in bushland areas.
2. During training and coaching activities, participants may
 -) undertake an orienteering training activity alone
 -) undertake an orienteering training activity in a small group of other participants
 -) undertake an orienteering training activity as a one-on-one basis with a coach.

These activities may be undertaken in a range of environments including bushland and park settings, and are normal orienteering training practices. If a parent or guardian requires more information on the activities that will be undertaken on a junior training camp or trip, they should consult with the camp/trip's leadership team.

7.4 Supervision of children and transportation. Parents/guardians, event organisers and members have a responsibility to take common sense precautions where possible in relation to supervision of children at events. For example, young children should be warned away from and never left unattended near hazard areas close to assembly areas such as dams, flowing water courses, pits, steep embankments and ground with hazardous surfaces. If a member finds a child unsupervised in this kind of situation, they should assume responsibility for the child's safety until the parent/guardian or supervisor can be found. Similarly, a member encountering a child lost on a course should provide appropriate assistance. A child who through age, inexperience or an impairment is not capable of reading a map and navigating with a reasonable prospect of completing a course should either be accompanied by a parent or responsible adult, or undertake an easier course, or receive sufficient instructions on navigation and safety issues to successfully complete the course.

Any adult working with children in orienteering, or on an away trip with children, such as coaches, managers and people operating a crèche at an event should undertake a police check and hold any clearances required under state and territory legislation. Detailed guidelines for supervision for away trips for children are available on the Australian Sports Commission's 'Play by The Rules' website.

Parents/guardians have a responsibility to turn up on time to collect their child from an event or training session for reasons of courtesy and safety. If it appears a member will be left alone at the end of a training session or event with just one child, they will ask another member to stay until the child is collected.

Parents/guardians are responsible for transporting their children to and from orienteering club activities (e.g. practice and organised events). Where they delegate that responsibility, it is recommended that a child 15 years of age or under not travel alone in a car with an adult on their own such as a coach or a club member, nor should such a child be alone in a non-public place with any adult who is not the parent or guardian.

7.5 Anti-discrimination and harassment

Orienteering Australia is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination and harassment.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against or harassed.

7.5.1 Discrimination Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by state or federal anti-discrimination laws.

The personal characteristics protected by anti-discrimination laws include attributes such as race, age, disability, gender and race. The full list of protected personal characteristics is in the "Definitions" set out in the Dictionary of Terms.

Discrimination can be either direct or indirect.

- J Direct discrimination occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- J Indirect discrimination occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purposes of determining discrimination, the offender's awareness and motive are irrelevant.

7.5.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment is unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours

and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

7.5.3 Prohibition against discrimination and harassment

We prohibit all forms of harassment and discrimination based on the personal characteristics listed in the "Definitions" set out in the Dictionary of Terms.

Any person who believes they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy is encouraged to raise their concerns with us. A person may make an internal complaint, and in some circumstances, they may also be able to make a complaint to an external organisation. (Refer to the attachments in Part D of this policy.)

7.6 Intimate relationships

Orienteering Australia understands that consensual intimate relationships (including, but not limited to sexual relationships) between coaches or officials and adult athletes may take place legally. However, this policy will help ensure that the expectations of coaches or officials are clear and, to ensure that if an intimate relationship does exist or develop between a coach or official and an adult athlete, that relationship will be managed in an appropriate manner.

Coaches and officials are required to conduct themselves in a professional and appropriate manner in all interactions with athletes. In particular, they must ensure that they treat athletes in a respectful and fair manner, and that they do not engage in sexual harassment, bullying, favoritism or exploitation.

Orienteering Australia takes the position that consensual intimate relationships between coaches or officials and the adult athletes they coach should be avoided as they can have harmful effects on the athlete involved, on other athletes and coaches and on the sport's public image. These relationships can also be perceived to be exploitative due to the differences in authority, power, maturity, status, influence and dependence between the coach or official and the athlete.

We recommend that if an athlete attempts to initiate an intimate relationship with a coach or official, the coach or official should discourage the athlete's approach and explain to the athlete why such a relationship is not appropriate.

If a consensual intimate relationship does exist or develop between an adult athlete and a coach or official, the coach or official is expected to ensure that the relationship is appropriate and that it does not compromise impartiality, professional standards or the relationship of trust the coach or official has with the athlete and/or other athletes.

In assessing the appropriateness of an intimate relationship between a coach or official and an adult athlete, relevant factors include, but are not limited to:

-) the relative age and social maturity of the athlete;
-) any potential vulnerability of the athlete;
-) any financial and/or emotional dependence of the athlete on the coach or official;
-) the ability of the coach or official to influence the progress, outcomes or progression of the athlete's performance and/or career;
-) the extent of power imbalance between the athlete and coach or official; and the likelihood of the relationship having an adverse impact on the athlete and/or other athletes.

It will often be difficult for a coach or official involved in an intimate relationship with an adult athlete to make an objective assessment of its appropriateness and accordingly they are encouraged to seek advice from the Member Protection Information Officer to

ensure that they have not involved themselves in inappropriate or unprofessional conduct.

If it is determined that an intimate relationship between a coach or official and an adult athlete is inappropriate or unprofessional we may take disciplinary action against the coach or official up to and including dismissal. Action may also be taken to stop the coaching relationship with the athlete. This could include a transfer, a request for resignation or dismissal from coaching duties.

If a coach, official or athlete believes they are being, or have been, harassed they are encouraged to seek information and support the Member Protection Information Officer. Our complaints procedure is outlined in Part D of this policy.

7.7 Pregnancy

Orienteering Australia is committed to treating pregnant women fairly and to removing any unreasonable barriers to their full participation in our sport. We will not tolerate any discrimination or harassment against pregnant women.

Orienteering Australia will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn child, is of utmost importance in their decision-making about the extent they choose to participate in our sport.

We encourage all pregnant women to talk with their medical advisers, make themselves aware of the facts about pregnancy in sport and ensure that they make informed decisions about their participation in our sport. Pregnant women should make these decisions themselves, in consultation with their medical advisers and in discussion with Orienteering Australia.

We will only require pregnant women to sign a disclaimer in relation to their participation in our sport whilst they are pregnant if all other participants are required to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

If a pregnant woman believes she is being, or has been, harassed or discriminated against by another person or organisation bound by this Policy, she may make a complaint. (Refer to the attachments in Part D of this policy.)

7.8 Gender identity

Gender identity means the gender-related identity, appearance or mannerisms or other gender-related characteristics of a person. This includes the way people express or present their gender and recognises that a person's gender identity may be an identity other than male or female. Some terms used to describe a person's gender identity include trans, transgender and gender diverse.

7.8.1 Gender identity discrimination and harassment

Federal, state and territory anti-discrimination laws provide protection from discrimination against people on the basis of their gender identity. (See definition in Dictionary of terms).

Orienteering Australia is committed to providing a safe, fair and inclusive sporting environment all where people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity.

All persons, regardless of gender identity, are entitled to be treated fairly and with dignity and respect at all times. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity. This includes discrimination or harassment of a person who is transgender or transsexual, who is assumed to be transgender or transsexual or has an association with someone who has or is assumed to be transgender or transsexual. (Refer to the attachments in Part D of this policy.)

We expect all people bound by this policy to act with sensitivity when a person is undergoing gender transition/affirmation.

If any person believes that they are being, or have been, harassed or discriminated against by another person or organisation bound by this policy because of their gender identity, they may make a complaint.

7.8.2 Participation in sport

Orienteering Australia recognises that excluding people from participating in sporting events and activities because of their gender identity may have significant implications for their health, wellbeing and involvement in community life. We are committed to supporting participation in our sport on the basis of the gender with which a person identifies.

If issues of performance advantage arise, we will consider whether the established discrimination exceptions for participation in sport are relevant in the circumstances. Discrimination is unlawful unless an exception applies.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

7.8.3. Intersex status

Federal anti-discrimination law, and some state and territory anti-discrimination laws, provide protection from discrimination against a person on the basis of their intersex status. (See Dictionary of terms).

Orienteering Australia is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their intersex status.

7.9 Responsible Service and Consumption of Alcohol

Orienteering Australia endorses responsible consumption of alcohol as a contributor to the social enjoyment of the sport for adults after they have completed their events. However, our policy in general is that

-) alcohol should not be available at an orienteering event at which children under 18 are the sole participants in the sport
-) alcohol-free social events be provided for young people and families;
-) food and low-alcohol and non-alcoholic drinks be available at events we hold or endorse where alcohol is served;
-) a staff member or club or Association official is present at events we hold or endorse where alcohol is served to ensure appropriate practices in respect of the consumption of alcohol are followed;
-) safe transport options be promoted as part of any event we hold or endorse where alcohol is served.

Orienteering Australia's Code of Conduct for responsible behaviour for junior representative teams includes the following requirement in respect of alcohol consumption:

-) A team member may not consume alcohol while in Australian uniform or representing Orienteering Australia, unless he or she is either over the age of consent of the host country or 18 years or older (whichever is the oldest) and the consumption is in moderation and at the discretion of the Manager.
-) A team member who does not comply with this rule may be subject to disciplinary action.

State association representative junior teams will comply with the respective rules in relation to alcohol consumption of their state Secondary School Sport Association or State Orienteering Association, as applicable.

7.10 Smoke-free environment

Orienteering Australia is committed to providing a safe and healthy environment at all sporting and social events that we hold or endorse. Smoking also presents a significant fire risk at many of the venues used for orienteering.

The following policies should be applied to sporting and social events:

-) No smoking shall occur at or near any sporting event or competition involving persons under the age of 18. This policy shall apply to coaches, players, trainers, officials and volunteers;
-) Social functions shall be smoke free, with smoking permitted at designated outdoor smoking areas;
-) Coaches, officials, trainers, volunteers and players will refrain from smoking and remain smoke free while involved in an official capacity for any of the Orienteering Australia, state association, Club or representative team, on and off the field.

7.11 Bullying

Orienteering Australia is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable in our sport.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or a group.

Whilst generally characterised by repeated behaviours, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

-) verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
-) excluding or isolating a group or person;
-) spreading malicious rumours; or
-) psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. Orienteering Australia will not tolerate abusive, discriminatory, intimidating or offensive statements being made online. Frustration at a referee, teammate, coach or sporting body should never be communicated on social networking websites. These issues should instead be addressed – in a written or verbal statement or a complaint – to the relevant controlling club, league or peak sporting body.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to the attachments in Part D of this policy.)

7.12 Social networking

Orienteering Australia acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes social networking websites such as Facebook and Twitter.

We expect all people bound by this policy to conduct themselves appropriately when using social networking sites to share information related to our sport.

In particular, social media activity including, but not limited to, postings, blogs, status updates, and tweets:

-) must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate;
-) must not contain material which is inaccurate, misleading or fraudulent;
-) must not contain material which is in breach of laws, court orders, undertakings or contracts;
-) should respect and maintain the privacy of others; and
-) should promote the sport in a positive way.

7.13 Other relevant policies

Other Orienteering Australia relevant policies can be found at http://www.orienteeing.asn.au/administration/op_manual/ Some of the policies which contribute to the welfare of all those involved in our activities include the following contained in the Operational Manual leaflets:

-) Anti-doping Policy
-) Infectious Diseases Policy
-) Gender Equity Policy
-) Risk Management Policy
-) Privacy Policy
-) Conflict Resolution
-) Appeals

8. Complaints Procedures

8.1 Handling complaints

Orienteering Australia aims to provide a simple, confidential and trustworthy procedure for resolving complaints based on the principles of procedural fairness.

Any person (a complainant) may report a complaint about a person, people or organisation bound by this policy (respondent) if they feel they have been discriminated against, harassed, bullied or there has been any other breach of this policy.

In the first instance, complaints should be reported to the relevant official, e.g. Member Protection Information Officer, club or State Secretary, Executive Officer.

If a complaint relates to behaviour or an incident that occurred at the:

-) state level, or involves people operating at the state level, then the complaint should be reported to and handled by the relevant state association in the first instance
-) club level, or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.

Only matters that relate to, or which occurred at, the national level, as well as serious cases referred from the state and club level, should be dealt with by the national body.

A complaint may be handled informally or formally. The complainant may indicate his or her preferred option and the relevant official, e.g. Member Protection Information Officer, club or State Secretary, Executive Officer, should consider whether that is an appropriate way to handle the particular complaint. For example, the law may require that the complaint/allegation be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our procedures for handling and resolving complaints are outlined in Attachment D1.

Individuals and organisations may also seek to have their complaint handled by an external agency under anti-discrimination, child protection, criminal or other relevant legislation.

Where the Executive Officer has a conflict of interest with respect to a complaint, or is otherwise unable to handle that complaint, the Board will appoint an alternative person (hereafter referred to as the "delegate") to fulfill the functions of the Executive Officer under this policy.

8.2 Improper complaints and victimisation

Orienteering Australia aims to ensure that our complaints procedure has integrity and is free of unfair repercussions or victimisation against any person making a complaint.

We will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures can be imposed on anyone who harasses or victimises another person for making a complaint or supporting another person's complaint.

If at any point in the complaint handling process the relevant official, e.g. Member Protection Information Officer, club or State Secretary, or Executive Officer, considers that a complainant has knowingly made an untrue complaint, or the complaint is malicious or intended to cause distress to the respondent, the matter may be referred to the relevant committee/Member Protection Tribunal for review and appropriate action, including possible disciplinary action against the complainant.

8.3 Mediation

Orienteering Australia aims to resolve complaints quickly and fairly. Complaints may be resolved by agreement between the people involved with no need for disciplinary action.

Mediation is a confidential process that allows those involved in a complaint to discuss the issues or incident in question and come up with mutually agreed solutions. It may occur before or after the investigation of a complaint.

If a complainant wishes to resolve the complaint with the help of a mediator, the Member Protection Information Officer will, in consultation with the complainant, arrange for an independent mediator where possible

Lawyers are not able to participate in the mediation process.

More information on the mediation process is outlined in Attachment D2 of this policy.

8.4 Member Protection Tribunals

In accordance with Orienteering Australia rules a Tribunal may be convened to hear a proceeding:

-) for an alleged breach of this policy.

A respondent may lodge an appeal to the Appeal Tribunal in respect of a Tribunal decision. The decision of the Appeal Tribunal is final and binding on the people involved. Our appeals process is outlined in Attachment D4.

This is sometimes referred to as the person 'affirming' their gender because transitioning means they start living in what they identify as their true gender. Vilification means behaviour that occurs in public which incites hatred towards, serious contempt for, or revulsion or severe ridicule of a person or group of people because that person or persons have a particular personal characteristic. Travelling to other states or territories

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children Check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your organisation is travelling interstate to do work that would normally require a working for children check, you will need to check the relevant requirements of that state or territory.

Attachment D1: COMPLAINTS PROCEDURE

Orienteering Australia is committed to supporting people associated with our sport to make and resolve any complaints they may have in a fair, timely and effective way.

We will endeavour to deal with complaints on a confidential basis. To ensure fairness for everyone involved, we will provide the full details of the complaint to the person or people against whom the complaint has been made and ask for their response. As a result, it may be difficult for us to resolve complaints made anonymously.

We will provide informal and formal procedures to deal with complaints. Individuals and organisations can also make complaints to external organisations under anti-discrimination, child protection and other relevant laws.

Informal approaches

Step 1: Talk with the other person (if safe, reasonable and appropriate)

If you feel confident and comfortable to do so, you can approach the other person to discuss the issues and try and resolve the problem directly.

Step 2: Contact a Member Protection Information Officer

We encourage you to talk with one of our Member Protection Information Officers (MPIOs) if:

-) step 1 (above) is not appropriate;
-) you are not sure how to handle the problem by yourself;
-) you want to talk confidentially with someone and find out what options are available to address your concern; or
-) the concern continues after you approached the other person.

The names and contact details for our MPIOs are available from state association secretaries.

The MPIO will:

-) ask how you would like your concern to be resolved and if you need support
-) seek to provide different options for you to address your concern
-) act as a support person, if you wish
-) refer you to an appropriate person (e.g. a mediator) to help you address your concern, if appropriate
-) inform the relevant government authorities and/or police, if required by law to do so
-) where possible and appropriate, maintain confidentiality.

Step 3: Decide how to address your concern

After talking with the MPIO you may decide:

-) there is no problem;
-) the problem is minor, and you do not wish to take the matter forward;
-) to try and resolve the problem yourself, with or without a support person;
-) to resolve the problem with the help of someone impartial, such as a mediator; or
-) to resolve the matter through a formal process.

Formal approaches

Step 4: Making a formal complaint

If it is not possible or appropriate to resolve your complaint through an informal process, you may:

-)] make a formal complaint in writing to the Executive Officer or delegate, or
-)] approach a relevant external agency, such as an anti-discrimination or equal opportunity commission, for advice and assistance.

After receiving a formal complaint, and based on the material you provide, the Executive Officer or delegate will decide whether:

-)] he or she is the most appropriate person to receive and handle the complaint;
-)] the nature and seriousness of the complaint requires a formal resolution procedure;
-)] to refer the complaint to mediation;
-)] to appoint a person to investigate the complaint;
-)] to refer the complaint to a tribunal hearing;
-)] to refer the matter to the police or other appropriate authority; and/or
-)] to implement any interim arrangements that will apply until the complaint process is completed.

In dealing with your formal complaint, the Executive Officer or delegate will take into account:

-)] whether he or she has had any personal involvement in the circumstances and if so, whether it is appropriate someone else should handle the complaint;
-)] your wishes, and the wishes of the respondent, regarding how the complaint should be handled;
-)] the relationship between you and the respondent (e.g. an actual or perceived power imbalance between you and the respondent);
-)] whether the facts of the complaint are in dispute; and
-)] the urgency of the complaint, including the possibility that you might face further unacceptable behaviour while the complaint process is underway.

If the Executive Officer or delegate is the appropriate person to handle the complaint, he or she will, where appropriate and/or necessary:

-)] provide the information received from you to the other person(s) involved and ask for a response;
-)] decide if there is enough information to determine whether the matter alleged in your complaint did or did not occur; and/or
-)] determine what, if any, further action to take, including referring the matter for investigation or disciplinary action in accordance with this policy.

Step 5: Investigating the complaint

In some cases, an investigation may be required to determine the facts surrounding the complaint. Our investigations procedure is outlined in Attachment D3.

Following the investigation, a written report will be provided to Executive Officer or OA Board delegate.

-)] If the complaint is referred to mediation, we will follow the steps outlined in Attachment D2 or as agreed by you, the respondent and the mediator.
-)] If the complaint is referred to a tribunal hearing, the hearing will be conducted according to the steps outlined in Attachment D4.
-)] If the complaint is referred to the police or another external agency, we will endeavour to provide all reasonable assistance required by the police or the agency.

Step 6: Reconsidering a complaint or appealing a decision

If the matter is referred to mediation and is not resolved at mediation, you may request that the Executive Officer or delegate reconsider the complaint in accordance with Step 3.

In accordance with Orienteering Australia rules you or the respondent(s) may also appeal a decision made at a tribunal hearing. The grounds and process for appeals are set out in Attachment D4.

Step 7: Documenting the resolution

The Executive Officer or delegate will record the complaint, the steps taken to resolve it and the outcome. This information will be stored in a confidential and secure place. If the complaint was dealt with at the state/district level, the information will be stored by the state association. If the matter is of a serious nature, or if it was dealt with at the national level, the information will be stored by Orienteering Australia and a copy stored by the state association.

Approaching external organisations

If you feel that you have been harassed or discriminated against, you can seek advice from your state or territory anti-discrimination or equal opportunity commission. There is no obligation to make a formal complaint. However, if the commission advises you that the issues appear to be within its jurisdiction, you may choose to lodge a formal complaint with the commission.

The commission may investigate your complaint. The commission may also attempt to conciliate the complaint on a confidential basis. If this fails, or if it is not appropriate, the complaint may go to a formal hearing. The tribunal will make a finding and decide what action, if any, will be taken.

If you do lodge a complaint with the commission, an appropriate person from our organisation (e.g. an MPIO) will be available to support you during the process. You may also wish to have a legal representation, particularly if the complaint goes to a formal hearing.

Contact details for the state and territory anti-discrimination and equal opportunity commissions are available on the Play by the Rules website:
<http://www.playbytherules.net.au/resources/quick-reference-guide>.

Serious incidents, such as assault or sexual assault, should be reported to the police.

Attachment D2: MEDIATION

Mediation is a process that seeks to resolve complaints with the assistance of an impartial person – the mediator.

The mediator does not decide who is right or wrong and does not tell either side what they must do. Instead, he or she helps those involved to discuss the issues and seeks to facilitate a mutually agreeable solution.

Our approach to mediation follows the steps set out below.

1. The Executive Officer or delegate will appoint an appropriate mediator to help resolve the complaint. This will be done under the direction of Orienteering Australia and in consultation with the complainant and the respondent(s). The mediator will be an independent person in the context of the complaint, however this does not preclude a person with an association with Orienteering Australia acting as mediator.
2. The mediator will talk with the complainant and respondent(s) about how the mediation will take place and who will participate. At a minimum, the mediator will prepare an agenda of issues to be discussed.
3. All issues raised during mediation will be treated confidentially. We also respect the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
4. If the complaint is resolved by mediation, where appropriate the mediator may seek to ensure the parties execute a document that sets out the agreement that has been reached. This agreement will be signed by the complainant and the respondent(s). We expect the parties involved to respect and comply with the terms of the agreement.
5. If the complaint is not resolved by mediation, the complainant may:
 -)] write to the Executive Officer or delegate to request that the Executive Officer or delegate reconsider the complaint; and
 -)] approach any relevant external agency, such as an anti-discrimination or equal opportunity commission, to resolve the matter.

We recognise that there are some situations where mediation may not be appropriate, including:

-)] when the people involved have completely different versions of the incident;
-)] when one or both parties are unwilling to attempt mediation;

-)] when there is a real or perceived power imbalance between the people involved;
-)] matters that involve serious allegations.

Attachment D3: INVESTIGATION PROCESS

There will be times when a complaint will need to be investigated and information gathered.

An investigation helps determine the facts relating to the incident, if requested, recommendations as to possible findings and next steps.

Any investigation we conduct will be fair to all people involved. The investigation process will be undertaken by an unbiased person.

If we decide that a complaint should be investigated, we will follow the steps outlined below.

1. We will provide a written brief to the investigator that sets out the terms of engagement and his or her roles and responsibilities.
2. The investigator may:
 -) interview the complainant and record the interview in writing;
 -) provide full details of the complaint to the respondent(s) so that they can respond
 -) interview the respondent(s) to allow them to answer the complaint and record the interview in writing;
 -) obtain statements from witnesses and collect other relevant evidence;
 -) make a finding as to whether the complaint is:
 - substantiated (there is sufficient evidence to support the complaint)
 - inconclusive (there is insufficient evidence either way);
 - unsubstantiated (there is sufficient evidence to show that the complaint is unfounded);
 - mischievous, vexatious or knowingly untrue.
 -) provide a report to the Executive Officer or delegate documenting the complaint, the investigation process, the evidence,) and, if requested, any findings and recommendations.
3. We will provide a report to the complainant and the respondent(s) documenting the complaint, the investigation process and summarising key points from the investigation.
4. The complainant and the respondent(s) will be entitled to support throughout this process from their chosen support person or adviser (e.g. the MPIO or another person).

Attachment D4: TRIBUNAL PROCEDURES

We will follow the steps set out below to hear formal complaints made under our Member Protection Policy.

Preparing for a Tribunal hearing

1. A Tribunal panel will be established, according to the rules set out in our constituent documents, rules and by-laws, to hear a complaint that has been referred to it by the Executive Officer or delegate.
2. The number of Tribunal panel members required to be present throughout the hearing will be at least one.
3. The Tribunal panel members will be provided with a copy of all the relevant correspondence, reports or information received and sent by the Executive Officer or delegate relating to the complaint/allegations.
4. The Tribunal hearing will be held as soon as practicable. However, adequate time must be provided for the respondent(s) to prepare for the hearing.
5. The Executive Officer or delegate will inform the respondent(s) in writing that a Tribunal hearing will take place. The notice will outline:
 -) that the person has a right to appear at the Tribunal hearing to defend the complaint/allegations;
 -) the details of the complaint and of all allegations, as well as the provision or clause of any policy, rule or regulation that has allegedly been breached;
 -) the date, time and venue of the Tribunal hearing;
 -) that verbal and/or written submissions can be presented at the Tribunal hearing;
 -) that witnesses may attend the Tribunal hearing to support the position of the respondent/s;
 -) an outline of any possible sanctions that may be imposed if the complaint is found to be true;

) That legal representation will not be allowed. [The respondent may be assisted by a support person at a Tribunal hearing. For example, where the respondent is a minor, he or she should have a parent or guardian present. However, a person cannot be a support person if he or she has been admitted to the practice as a lawyer or worked as a trainee lawyer.] A copy of any investigation report findings will be provided to the respondent(s).
6. The Executive Officer or delegate will notify the complainant in writing that a Tribunal hearing will take place. The notice will outline:
 -) that the person has a right to appear at the Tribunal hearing to support their complaint;
 -) the details of the complaint, including any relevant rules or regulations the respondent is accused of breaching;
 -) the date, time and venue of the Tribunal hearing;
 -) that verbal and/or written submissions can be presented at the Tribunal hearing;
 -) that witnesses may attend the Tribunal hearing to support the complainant's position;
 -) that legal representation will not be allowed. [The respondent may be assisted by a support person at a Tribunal hearing. For example, where the respondent is a minor, he or she should have a parent or guardian present. However, a person cannot be a support person if he or she has been admitted to practice as a lawyer or worked as a trainee lawyer.]

A copy of the investigation report findings will be provided to the complainant.
7. If the complainant believes the details of the complaint are incorrect or insufficient, he or she should inform the Executive Officer or delegate as soon as possible so that the

respondent(s) and members of the Tribunal panel can be properly informed of the complaint.

8. If possible, the Tribunal panel should include at least one person with knowledge or experience of the relevant laws/rules (e.g. anti-discrimination).

Tribunal hearing procedure

9. The following people will be allowed to attend the Tribunal hearing:
 -) Tribunal panel members;
 -) the respondent(s);
 -) the complainant;
 -) any witnesses called by the respondent(s);
 -) any witnesses called by the complainant;
 -) any parent/guardian or support person required to support the respondent or the complainant.
10. If the respondent(s) is not present at the set hearing time and the Tribunal chairperson considers that no valid reason has been presented for this absence, the Tribunal hearing will continue subject to the chairperson being satisfied that all Tribunal notification requirements have been met.
11. If the Tribunal chairperson considers that there is a valid reason for the non-attendance of the respondent(s), or the chairperson does not believe the Tribunal notification requirements have been met, then the Tribunal hearing will be rescheduled to a later date.
12. If the Tribunal chairperson wishes to reschedule the Tribunal hearing date, the Tribunal chairperson will inform the Executive Officer or delegate of the need to reschedule the hearing and the Executive Officer or delegate will arrange for the Tribunal to be reconvened.
13. The Tribunal chairperson will read out the complaint, ask each respondent if he or she understands the complaint and if he or she agrees or disagrees with the complaint.
14. If the respondent agrees with the complaint, he or she will be asked to provide any evidence or witnesses that should be considered by the Tribunal when determining any sanctions.
15. If the respondent disagrees with the complaint, the complainant will be asked to describe the circumstances that lead to the complaint being made.
 -) Reference may be made to brief notes.
 -) The complainant may call witnesses.
 -) The respondent may question the complainant and any witnesses.
16. The respondent will then be asked to respond to the complaint.
 -) Reference may be made to brief notes.
 -) The respondent may call witnesses.
 -) The complainant may ask questions of the respondent and any witnesses.
17. The complainant and respondent(s) may be present when evidence is presented to the Tribunal hearing. Witnesses may be asked to wait outside the hearing until they are required.
18. The Tribunal may:
 -) consider any evidence, and in any form, that it deems relevant;
 -) ask questions of any person giving evidence;
 -) limit the number of witnesses (including limiting witnesses to those persons who only provide new evidence);
 -) require (to the extent it has power to do so) the attendance of any witness it deems relevant; and
 -) act in an inquisitorial manner in order to establish the truth of the issue/complaint before it.
19. Video evidence, if available, may be presented. Arrangements for the viewing of this evidence must be made entirely by the person(s) wishing to offer this type of evidence.

20. If the Tribunal panel considers that at any time during the hearing there is any unreasonable or intimidatory behaviour from anyone, the Tribunal chairperson may deny further involvement of that person in the hearing.
21. After all the evidence has been presented, the Tribunal will make its decision in private. The Tribunal must decide whether the complaint has, on the balance of probabilities, been substantiated.
22. All Tribunal decisions will be by majority vote.
23. The Tribunal chairperson may announce the decision of the Tribunal at the conclusion of the hearing. Alternatively, he or she may reserve the decision of the Tribunal at the conclusion of the hearing and deliver the decision at a later time.
24. The respondent(s) will have the opportunity to make submissions to the Tribunal in relation to any sanctions that may be imposed.
25. Within 48 hours of the Tribunal delivering its decision, the Tribunal chairperson will:
 -) forward a notice of the Tribunal's decision to the Executive Officer or delegate, including details of any sanction imposed.
 -) forward a letter reconfirming the Tribunal's decision to the respondent(s), including any sanction imposed. The letter should also outline the process and grounds for an appeal, if allowed.
26. The Tribunal does not need to provide written reasons for its decision.

Appeals procedure

Note: It is considered good practice to provide a process to appeal against a decision of a Tribunal. However, the grounds for an appeal should be specific; for example, they may be limited to a denial of procedural fairness or the imposition of an unreasonable penalty.

27. A complainant or a respondent(s) may lodge with Orienteering Australia an appeal in relation to the decision of a Tribunal on one or more of the following grounds:
 - 26.1 that a denial of procedural fairness has occurred;
 - 26.2 that the sanction imposed is unjust and/or unreasonable;
 - 26.3 that the decision was not supported by the information/evidence provided at the mediation or to the Tribunal Hearing.
28. A person wanting to appeal must lodge a letter setting out the basis for their appeal with the Executive Officer or delegate within 14 days of the decision being made. An appeal fee of \$50 shall be included with the letter of intention to appeal.
29. If the letter of appeal is not received by the Executive Officer or delegate within this time, the right of appeal will lapse. If the letter of appeal is received but the appeal fee is not received within this time, the appeal will also lapse.
30. The letter of appeal and the notice of the Tribunal's decision (clause 24) will be forwarded to an Appeal Committee convened by the Board to review and to decide whether there are sufficient grounds for the appeal to proceed. The Appeal Committee may invite any witnesses to the meeting that he or she believes are required to make an informed decision.
31. If the appellant has not shown sufficient grounds for an appeal in accordance with clause 26, then the appeal will be rejected. The appellant will be notified in writing, including the reasons for the decision. The appeal fee will be forfeited.
32. If the appeal is accepted, an Appeal Tribunal with new panel members will be convened to rehear the complaint, and the appeal fee will be refunded.
33. The Tribunal hearing procedure shall be followed for the Appeal Tribunal.
34. The decision of the Appeal Tribunal will be final and binding.

Attachment E3: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.

Fact sheets on reporting allegations of child abuse in different states and territories are available at www.playbytherules.net.au

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with Orienteering Australia in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

Step 2: Report the allegation

-) Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
-) Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
-) If the allegation involves a person to whom this policy applies, then also report the allegation to the Executive Officer of Orienteering Australia so that he or she can manage the situation.

Step 3: Protect the child and manage the situation

- J The Executive Officer will assess the immediate risks to the child and take interim steps to ensure the child’s safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of Orienteering Australia.
- J The Executive Officer will consider what services may be most appropriate to support the child and his or her parent/s.
- J The Executive Officer will consider what support services may be appropriate for the alleged offender.
- J The Executive Officer will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

- J At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
 - J a criminal investigation (conducted by the police)
 - J a child protection investigation (conducted by the relevant child protection agency)
 - J a disciplinary or misconduct inquiry/investigation (conducted by Orienteering Australia).
- J Orienteering Australia will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- J If disciplinary action is undertaken, we will follow the procedures set out in Clause 10 of our Member Protection Policy.
- J Where required we will provide the relevant government agency with a report of any disciplinary action we take.
- J **Contact details for advice or to report an allegation of child abuse**
