- Implement administrative processes to evaluate and report on the high performance strategic plan, operational plans and HP activities so as to monitor and collect information for reporting obligations to ASC, OA board, and other system partners by collating, mapping and monitoring data.
- Proactively inform and educate athletes, managers, squad coaches and team coaches of their moral, legal and ethical obligations as outlined in related policies and procedures of Orienteering Australia and partner organisations (eg. IOF, ASC, ASSADA). This will be achieved through the development and refinement of athlete contracts, squad contracts, and ASADA requirements as well as ongoing dissemination of updated information and procedures to all HP personnel.
- Manage the administrative operations of the Orienteering Australia high performance program including the:
 - management of documents and other resources for smooth efficient running of the program and for succession, development and review.
 - efficient management of athletes and managers so they can maximise success in their roles in meeting reporting, budgeting, communication, planning and scheduling activities and plans.
- Provide procedural direction and administrative support to coaches and managers to assist the smooth administration and management of national squads and competitions, to promote professional, consistent and well-managed processes to meet competition deadlines at national and international competitions with particular focus on timely communication to enable long term planning and scheduling.
- In collaboration with the Chairs of Selectors and the Head Coach, be responsible for the smooth administration of the selection process by co-ordinating selection communication and managing nominations and communications of national junior and open teams for international competitions.
- In collaboration with the High Performance Director and Head Coach formulate position descriptions for team coaches and managers and arrange for their appointment by advertising for these and managing the application process.
- Respond to enquiries or requests for information central to the High Performance program.
- Liaise with University Sport, regional committees and national governing bodies to develop key aspects of the competition structure by meeting the requirements of these bodies.
- Advise system partners on areas such as organisation, funding, promotion and regulations;
- In accordance with OA procedures, managing and monitoring all allocated budgets outside of the head coaches responsibility, controlling finance allocated for activities and co-ordinating or raising sponsorship;
- Assist athletes to manage their administrative responsibilities and communicate these via bulletins and an up to date athlete contract.
- System coordinator role

The National HP administrator will also have a key advisory and/or system leadership role as follows:

- Provide advice to the Board and Director of High Performance, as part of the Orienteering Australia national strategy, to further develop athlete pathways and competition structures nationally, with a view to increasing quality and quantity of athlete excellence and performance.
- Provide direction and oversight to the implementation of administrative process to support the HP program.
