# MapRunners

at the Rotunda – New Farm Park  
Saturday – start from 7:30 – 9:00am

- Don't just "parkrun" – explore with MapRunners!
- Its Free, Fun and Healthy for all ages and levels of fitness
- You have 30 mins to visit as many sites in the park as you can (or want to)
- Start any time between 7:30 and 9:00am on Saturday – or if that doesn't suit, MapRun in your own time during the week and your results will still be recorded
- It's different each week – but you can still compare your pace from week to week
- Run fast to beat the competition or take it slow to enjoy the park
- Upload to see your results:
  - Total points – for the sites visited – minus any penalty for taking longer than 30 minutes
  - Distance and Pace

**MAPRUNNERS**

# How Does It Work?

- Bring your iPhone or Android (Or we can lend you one)
- Install the free App (MapRun) (Free wifi is available on site)
- Talk to the friendly helpers to see how it's done
- Start the App – Go to the Start – Choose your own route to go to as many sites as you can in 30 mins
- Set off in your own time individually or in a group
- At each site the App “beeps” and adds to your score
- Come back to the Finish before your 30 mins is up – or your score starts to reduce
- Upload your results
- Compare with others or against your own pace from previous weeks

# Where Can I Go?

- On your phone you'll see a map like this (or you can use a printed map too)
- Start at the triangle and finish at the double circle
- Go to as many of the other sites (circles) as you can in 30 mins
  - Decide your own route
  - Sites have numbers – the higher the number – the higher the score
- Kids – stay in the park; don't cross streets
- Adults – Get extra points for sites that are further away

# How do I read the Map?

- You don't need a compass
- See the symbols shown here
- Don't worry it's not too hard, but
  - Don't run through gardens
  - Don't climb over fences
  - Don't run through the markets
  - Don't disturb other park users
