

The following are prices for advertisements from 'orienteering bodies' relating to event promotion, equipment supply, and in-house services such as mapping, coaching, etc.

The magazine is funded by contributions from state orienteering bodies. Income from in-house advertisements helps reduce those contributions while keeping the cost of advertising substantially well-below commercial levels.

For events' advertisements, up to half a page of additional advertorial with terrain photos and map snippets is available at no extra cost. So, the price for an event advert is \$50 for between half and one page.

The magazine is published four times a year, in early March, June, September and December. Deadlines are: for bookings – 8 weeks prior; and artwork – 6 weeks prior.
